1.1 Overview

HQC provides an online platform where homeowners can manage their bathroom renovation projects from design through completion. HQC’s proprietary model allows customers to design their bathroom, select their materials, choose a contractor, and pay for everything all in one place (the “HQC Services”).

1.2 Construction Services

HQC matches customers with a contractor from HQC’s extensive network at pre-negotiated prices. HQC does not provide construction services, but HQC may provide certain project support services as set out in the Accepted Proposal.

1.3 Services

The specific services included in your project will be set out in the Accepted Proposal agreed to between you and HQC (“Services”).

2. PAYMENT TERMS

The customer agrees to pay the fees set out in the Accepted Proposal for the Services and on the terms set out therein. HQC will release milestone payments to the contractor upon Customer’s approval in accordance with the terms set out in the contract between the Customer and the contractor. The prices set out in the Accepted Proposal are valid for 90 days (about 3 months) from the date of the Accepted Proposal. If the Construction Services do not commence within 90 days (about 3 months) of the Accepted Proposal due to delays caused by Customer or for other reasons outside HQC control, the fees may be adjusted to account for any increased costs (associated with supply chain issues or otherwise). Any such increase in fees will not exceed 10% of the initially quoted price.

2.2 Late Payments

*The customer agrees that all past due payments will bear interest at the lesser of the rate of 1.5% per month or the highest rate permissible under California law, calculated daily and compounded monthly. Customer also agrees to reimburse HQC for all costs incurred in collecting any late **payments**, including, without limitation, attorneys' fees.*

3.2 Termination by Customer

Customer may terminate the Agreement or any Accepted Proposal by providing 5 days' written notice to HQC. In such an event, Customer shall immediately pay to HQC all outstanding balances for Services performed prior to the date of termination, as well as any costs incurred by HQC in connection with the termination, including demobilization and any termination charges by vendors and subcontractors, plus 20%.

3.3 Termination by HQC

HQC may terminate this Agreement at any time, upon written notice to Customer, provided that HQC will refund to Customer any prepaid and unearned Fees for Services that have not been performed prior to the date of termination, less any amounts owed by Customer to HQC upon termination, including fees for Services performed prior to the date of termination.

3.4 Termination for Breach

Either Party may terminate this Agreement or any Accepted Proposal hereunder effective upon written notice to the other Party, if the defaulting Party materially breaches this Agreement, and such breach is incapable of cure, or with respect to a material breach capable of cure, the defaulting Party does not cure such breach within 5 days after receipt of written notice of such breach. Notwithstanding the foregoing, HQC may terminate this Agreement or any Accepted Proposal hereunder immediately upon notice to Customer in the event of a Customer Default. This two-week window does not apply to custom materials ordered outside of HQCs standard catalog. Customer understands that once HQC orders materials, the materials order may not be canceled and HQC will be obligated to pay for the materials notwithstanding that Customer has decided to cancel the order. HQC shall make reasonable efforts to cancel the materials order and minimize the cancellation costs. However, HQC shall be paid all monies for all material costs that a vendor refuses to cancel, and HQC shall deliver those materials to Customer or dispose of them as directed by Customer. Excess material left over after construction, including tile overages, are the property of the Customer and are not eligible for refunds or returns. Customer will review each Deliverable immediately upon delivery by HQC. If the Deliverable does not conform with the specifications set out in the Accepted Proposal, Customer must provide HQC with written notice of such nonconformity within three (3) days of delivery (the "Acceptance Period"). Upon receipt of this notice, HQC will review Deliverables and will use reasonable efforts to correct any material nonconformities specified in the notice. The provisions above shall be reapplied to until Deliverable is accepted, provided that, after the second (or any subsequent rejection notice) either party may terminate this Contract upon ten (10) days' notice. Notwithstanding the foregoing, Customer and HQC hereby expressly acknowledge and agree that any discussions, agreements, or alleged understandings between the Parties are not valid unless agreed in a Change Order signed by both Parties. This Agreement, together with any Accepted Proposals or Change Orders validly issued hereunder (or any other documents expressly incorporated herein by reference), constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter.

In the event of any conflict between the terms and provisions of these Terms of Services and those of any Accepted Proposal, Change Order, or other document issued hereunder, then these Terms of Service shall control unless expressly set forth otherwise in a document signed by both parties.

15.8 Severability

No invalidity, illegality, or unenforceability of any provision herein in any jurisdiction, shall affect any other term or provision of this Agreement or invalidate or render such provision unenforceable in any other jurisdiction. 15.9 Governing Law

This Agreement shall be governed by and construed in accordance with the internal laws of the state in which the Project is located without giving effect to any choice or conflict of law provision or rule that would cause the application of laws of any other jurisdiction. Each party irrevocably waives any right to trial by jury. Service of process, summons, notice or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action, or other proceeding brought in any such court.

15.10 Equitable Relief; Cumulative Remedies

Each party acknowledges that a breach of Section 9 (Intellectual Property Rights; Ownership) or Section 10 (Confidentiality) may cause the non-breaching party irreparable damages, for which an award of damages would not be adequate compensation. In the event of such breach or threatened breach, the non-breaching party will be entitled to seek equitable relief. Except as expressly set forth in this Agreement, the right and remedies under this Agreement are cumulative and in addition to any other rights or remedies available at law or in equity or otherwise.
